

Investigation Outline

Name _____ Date _____

Write your investigation outline on a separate piece of paper.

Introduction

- Introduce your topic.
- State the question you are investigating.
- You may include an image here if you would like.

Main Content

- What you did and how you did it.
- What you found out and what you learned.
- Include one image (or more) illustrating your topic. Indicate where the image will go by writing IMAGE in the text.

Conclusion:

- Summarize your investigation.
- Give a brief overview of what you learned.
- Indicate questions that arose during your investigation that you would like to answer with future research. Explain briefly how you would conduct future research.

Instructions for Images in your outline:

1. You must include **two** images in your treehouse.
 - **Indicate where the image will go by writing IMAGE: Brief description of image.**
 - You can put both images in the Main Content section, or you can put one in the Introduction section and one in the Main Content section. You can also add more images if you would like.
2. **Write captions for your images.**
 - **Write captions for your images underneath where you indicate that the image will go. You can put the caption in parentheses.**

Example: IMAGE: buffel grass picture (caption: Students pulling buffel grass, an invasive species, at the Buffel grass “pull” at Tumamoc Hill, Tucson, AZ)
